

URBAN ILLUSTRATION

WINTER SESSION

CLASSES BEGIN JANUARY 9, 2023

The focus of this class is to help each student find and grow their own style and skill set. Art is a series of learning new techniques and problem solving to find the look or feeling we desire. In this class, we will learn how to conceptualize, how to utilize traditional art and street art techniques and how to focus on a single project to develop an understanding of the importance of dedication to a craft or a skill.
